ABOUT THE LEVI WALLACE GOLF FOR GOOD

The **Levi Wallace Golf For Good Tournament** hosted by the **Levi Wallace Foundation** aims to raise funds to support the Arizona Community. **All proceeds will benefit the Levi Wallace Foundation.**

The Levi Wallace Foundation is dedicated to enriching the lives of low-income youth by providing meaningful opportunities and experiences through the use of sports and education. Our mission is to motivate and support youth that derive from single parent or low-income households. Every child should have a fair opportunity to create a better future for themselves. By emphasizing the importance of discipline, hard work, and dedication we will teach the youth necessary life skills needed to promote self-efficacy.

“The future is yours for the taking”
